

## **JOHN A CAMERON (Johnny)**

**It is with much regret that we announce the death of Johnny Cameron who passed away on Tuesday 13th November 2012 at the Belford Hospital, Fort William.**

**Johnny enlisted into the Queen's Own Highlanders in August 1971 and seen service in BAOR, Northern Ireland, Falklands, Belize, Hong Kong, Norway, Kenya and the UK. He left the Army in Mar 1988 and almost immediately joined the Territorial Army, however his yearning for the battalion led him back to re-enlist into the Queen's Own Highlanders and there he served until he was discharged on completion of his engagement in 2010.**

**Johnny was a keen squash player and enjoyed his game of golf. He was a regular visitor at Fort William Golf course since his retirement from service.**

**Johnny will be remembered as a very popular member of the battalion and the tributes paid to him on our Facebook site bear's witness to this. We offer our sincere condolences to John's family at this difficult time.**

**Johnny's funeral service is to take place at the Duncansburgh-MacIntosh Parish church, Fort William PH33 6BA on Saturday 24th November at 12 noon, followed by interment at Kilmallie Cemetery.**

**All friends are respectfully invited to attend by the family.**

**Please wear your Glengarry on the day.**
